1. Introduction

This document contains a list of reports available for the Lepide Web Console version 23.1.

2. List of Reports

Component	Report Name	Description
File Server	All File Server Interactions	All changes made to files and folders including permission changes within a specific duration.
File Server	All Shared File and Folder Changes	All changes made to shared files and folders
File Server	All Long File Path Changes	All changes made to long file paths
File Server	Shared Folders Created and Deleted	All shared folders which have been created or deleted
File Server	Files and Folders Moved	All files and folders which have been moved
File Server	Files and Folders Renamed	All files and folders which have been renamed
File Server	Files Copied	All files copied
File Server	Successful Reads	All files which have been successfully read
File Server	Failed Reads	All files where read has failed
File Server	Files and Folders Created	All files and folders created
File Server	Files and Folder Creation Failures	Shows failed activities around the creation of files and folders
File Server	Files and Folders Deleted	All files and folders which have been deleted
File Server	All Permission Changes	All file server objects where permissions have changed
File Server	File Permission Changes	All files where permissions have changed
File Server	Folder Permissions Changes	All folders where permissions have changed
File Server	Audit Setting Changes	All file server objects where audit settings have been changed
File Server	Ownership Changes	All file server objects where ownership has changed
File Server	Classified Files	All classified files
File Server	File Classification Failure	All files where classification has failed

Lepide USA Inc.

Active Directory	All Object Changes	Shows all the changes related to active directory objects
Active Directory	Failed Logons	It shows all failed logon attempts within the domain
Active Directory	Contact Changes	All contact changes
Active Directory	Connection Changes	All incidents of creating, deleting, or modifying the connection between two objects
Active Directory	All DNS Zone Changes	All changes of DNS zones such as create, delete, and modify.
Active Directory	All DNS Node Changes	Shows all the changes made to the DNS nodes
Active Directory	All MSMQ Changes	All changes of MSMQ Queue, MSMQ Alias, and MSMQ Routing Link such as create, delete, and modify
Active Directory	Admin Group Changes	All changes made to the Admin groups including Enterprise Admins, Schema Admins, Administrators, Domain Admins, Server Operators, Account Operators, Backup Operators, and DS Restore Mode Administrator
Active Directory	Distribution Group Changes	All changes made to the distribution groups
Active Directory	All Group Changes	All changes of groups such as create, delete, modify, rename, move, permission change, membership information (addition or removal of members), and others.
Active Directory	Security Group Changes	All changes made to the security groups
Active Directory	Infrastructure Configuration Changes	All changes made to the Active Directory configuration container
Active Directory	Schema Changes	All changes of Active Directory schema such as create, delete, and others
Active Directory	Object Changes	All changes of objects such as create, delete, remove, rename, site delete, DNS modification, Schema modification, group changes, and others
Active Directory	Ownership Changes	All changes made to the object ownership
Active Directory	Object Created	All objects which have been created
Active Directory	Printer Created	All printers which have been created
Active Directory	Container Created	All containers which have been created
Active Directory	Contact Created	All contacts which have been created
Active Directory	Printer Deleted	All printers which have been deleted

Lepide USA Inc.

Active Directory	Container Deleted	All containers which have been deleted
Active Directory	Contact Deleted	All contacts which have been deleted
Active Directory	Computer Status Changes	All computers with changed status such as
-		enabled or disabled
Active Directory	User Status Changes	All users with changed status such as enabled,
		disabled, locked, or unlocked
Active Directory	Organizational Unit Renamed	All organizational units which have been
		renamed
Active Directory	User Deleted	All users which have been deleted
Active Directory	User Renamed	All users which have been renamed
Active Directory	User Modifications	All modifications of users such as create, delete,
		modify, rename, move, security changes,
		permission modifications, and others
Active Directory	Concurrent Logons	All successful logons made by a user concurrently
-		on to different computers
Active Directory	User Logged on Multiple Computers	All users logged on to more than one computer
Active Directory	Domain Controller Logon/Logoff	All logon/logoff activity by users on domain
-		controllers
Active Directory	All Successful Authentication	All successful authentications
Active Directory	User Password Reset and Change	All users who have attempted to reset or change
	Attempts	their password
Active Directory	Domain Controller Modifications	All operations of the domain controllers such as
		promoted, demoted, and others
Active Directory	Schema Changes	All changes of Active Directory schema such as
		create, delete, and others.
Active Directory	Computer Created	All computers which have been created
Active Directory	Computer Deleted	All computers which have been deleted
Active Directory	Computer Changes	All computers with changed status
Active Directory	Trust Changes	All incidents of creating, deleting, or modifying
		the trust between two domains
Active Directory	Container Moved	All moved containers
Active Directory	All Schedule Task Modification on	All modifications to scheduled tasks on domain
	Domain Controllers	controllers
Active Directory	Object Deleted	All deleted objects
Active Directory	Container Changes	All changes of containers such create, delete,
		rename, move, permission modifications and
		others
Active Directory	Organizational Unit Created	All organizational units which have been created
Active Directory	Organizational Unit Deleted	All organizational units which have been deleted
Active Directory	Organizational Unit Moved	All organizational units which have been moved
		along with their source and destination values.
		This report also highlights the organizational
		units restored using the Lepide Object Restore

		wizard organizational units which have been
		moved
Active Directory	Organizational Unit Changes	All changes of organizational units such as create, delete, modify, rename, property modification, or content modification (like creation or deletion of objects in an organizational unit)
Active Directory	User Created	All created users
Active Directory	User Moved	All moved users along with their source and destination values. This report also highlights the users restored using Lepide Object Restore wizard
Active Directory	Computer Moved	All moved computers along with their source and destination values. This report also highlights the computers restored using Lepide Object Restore wizard
Active Directory	System Time Modification on Domain Controllers	All system time modifications on domain controllers
Active Directory	Group Created	All created groups
Active Directory	Group Deleted	All deleted groups
Active Directory	Group Moved	All moved groups along with their source and destination values. This report also highlights the groups restored using Lepide Object Restore wizard
Active Directory	Contact Moved	All moved contacts along with their source and destination values. This report also highlights the contacts restored using the Lepide Object Restore wizard
Active Directory	Printer Modification	All modifications of printers such as create, delete, modify, move, property modifications, and others
Active Directory	Permission Changes	All changed permissions
Active Directory	Permission Comparison of an Object	The comparison of permissions between two dates
Active Directory	All Ownership by an Object	The ownership held by an object to the other different objects
Active Directory	Ownership of Objects	The list of owners of the selected objects
Active Directory	Ownership Comparison of an Object	The comparison of an object ownership between two dates
Active Directory	All Organizational Units	All organizational units available as per the selected backup snapshot
Active Directory	Recent Logon Failures	All failed logon attempts within the domain

such as converting a security group to distribution group or modifying a distribution group or modifying a distribution group to security group Group Policy Group Policy Changes Group Policy Changes Group Policy Changes Group Policy Group Policy Object Changes Group Policy Group Policy Password Policy Changes Group Policy Password Age Policy Modified Group Policy Password Encryption Policy Changes Group Policy All changes in testatus of both Maximum password age and Minimum password age policies Group Policy Password Encryption Policy Group Policy All changes in status of Password must meet complexity requirements policy Changes Group Policy Password History Policy Modified Group Policy All changes in status of Store password using reversible encryption policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Fassword using reversible encryption policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Enforce password Policy Changes Group Policy Accounts Lockout Policy Changes All changes in the status of Enforce password Policy, Account Lockout duration policy All changes in the status of Enforce password Policy, and Kerberos Policy in Account Policies All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies All changes in status of Interactive Logon Policies All changes in status of Interactive Logon Policies All changes in the status of Lockout Policies All changes in the St	Active Directory	Group type modifications	All incidents of changing the types of groups
Group Policy Changes Group Policy Changes Computer configuration Group Policy Changes Computer configuration Group Policy Changes Group Policy Password Policy Changes Group Policy Password Age Policy Modified Group Policy Password Complexity Policy All changes in password policy Group Policy Password Encryption Policy Group Policy Changes Group Policy Password Encryption Policy Changes Group Policy Password History Policy All changes in status of Password susing reversible encryption policy Group Policy Password History Policy Modified Group Policy Changes Group Policy Password History Policy Modified Group Policy Changes Group Policy Password History Policy Modified Group Policy Changes Group Policy Password History Policy Modified Group Policy Accounts Lockout Duration Policy Changes Group Policy Accounts Lockout Policy Changes Group Policy Accounts Lockout Policy Changes Group Policy Accounts Lockout Policy Changes Group Policy All Accounts Policy Changes Group Policy Audit Policy Changes Group Policy Interactive Logon Policy Changes Group Policy Security Options Policy Changes Group Policy Interactive Logon Policy Changes Group Policy User Right Assignment Policy Changes Group Policy Group Policy Object Changes All Group Po			such as converting a security group to
Group Policy Startup and Shutdown Script Policy Changes All changes in startup/shutdown scripts for computer configuration Group Policy Logon and Logoff Script Policy Changes All changes in Logon/Logoff Scripts for user configuration Group Policy Group Policy Object Changes All changes of group policy objects such as create, delete, modify, rename, settings added, settings deleted, settings modified, and others Group Policy Password Policy Modified All changes in password policy Group Policy Password Complexity Policy All changes in status of both Maximum password age and Minimum password age policies Group Policy Password Complexity Policy All changes in the status of Password must meet complexity requirements policy Group Policy Password History Policy Modified All changes in the status of Fassword must meet complexity requirements policy Group Policy Password History Policy Modified All changes in the status of Enforce password bistory policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All changes in Password Policy, Account Lockout Policy Changes Group Policy Audit Policy Changes All changes in Audit policies for Computer Configuration			distribution group or modifying a distribution
Changes Comp Policy Logon and Logoff Script Policy Changes Croup Policy Password Policy Changes Croup Policy Password Policy Changes Croup Policy Password Age Policy Modified All changes in password policy All changes in status of both Maximum password age and Minimum password age policies Croup Policy Password Encryption Policy All changes in the status of Password must meet complexity requirements policy Changes Croup Policy Password History Policy Modified Croup Policy Password History Policy Changes Croup Policy Lockout Duration Policy Changes Croup Policy Accounts Lockout Policy Changes Croup Policy Accounts Lockout Policy Changes Croup Policy Accounts Lockout Policy Changes Croup Policy All Accounts Policy Changes Croup Policy All Accounts Policy Changes Croup Policy Audit Policy Changes Croup Policy Security Options Policy Changes Croup Polic			group to security group
Group Policy Logon and Logoff Script Policy Changes All changes in Logon/Logoff Scripts for user configuration Group Policy Group Policy Object Changes All changes of group policy objects such as create, delete, modify, rename, settings added, settings deleted, settings modified, and others Group Policy Password Age Policy Changes All changes in password policy Group Policy Password Age Policy Modified All changes in status of both Maximum password age policies Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy Changes in the status of Store password using reversible encryption policy Group Policy Password History Policy Modified All changes in the status of Enforce password history policy Group Policy Accounts Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Adanges in Password Policy, Account Lockout Policy Changes All changes in Password Policy, Account Lockout Policy Policy All All Changes in Password Policy in Account Policies Group Policy Security Options Policy Changes All changes in security options policies </td <td>Group Policy</td> <td>Startup and Shutdown Script Policy</td> <td></td>	Group Policy	Startup and Shutdown Script Policy	
Changes Group Policy Group Policy Object Changes All changes of group policy objects such as create, delete, modify, rename, settings added, settings deleted, settings modified, and others All changes in password policy Group Policy Password Age Policy Modified All changes in password policy All changes in status of both Maximum password age and Minimum password age policies All changes in the status of Password must meet complexity requirements policy All changes in the status of Password must meet complexity requirements policy All changes in status of Store passwords using reversible encryption policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Account lockout duration policy Accounts Lockout Policy Changes All changes in the status of Account lockout duration policy All changes in Password Policy, Account Lockout Policy and Kerberos Policy in Account Policics All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policics All changes in All changes in Status of Interactive Logon policies All changes in Status of Interactive Logon policies All changes in status of Interactive Logon policies (Such as Interactive Logon: Do not display last user name, Interactive Logon: Do not require CTRL+ALT-DEL, and others) in Security Options All changes in User Right Assignment Policy Changes All changes in User Rights Assignment policies Group Policy Group Policy Group Policy Object Changes All Croup Policy Object changes All Croup Policy Object changes All Group Policy Object changes All Group Policy Object changes All Group Policy Object senamed All Group Policy Objects deleted All Group Policy Objects deleted All Group Policy Objects renamed		Changes	computer configuration
Group Policy Group Policy Object Changes All changes of group policy objects such as create, delete, modify, rename, settings added, settings deleted, settings modified, and others Group Policy Password Policy Changes All changes in password policy Group Policy Password Age Policy Modified All changes in status of both Maximum password age and Minimum password age policies Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy All changes in status of Store password using reversible encryption policy Group Policy Password History Policy Modified All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Security Options Policy Changes All changes in security options policies Group Policy Security Options Policy Changes All changes in status of Interactive Logon policies Group	Group Policy	Logon and Logoff Script Policy	All changes in Logon/Logoff Scripts for user
create, delete, modify, rename, settings added, settings deleted, settings modified, and others Group Policy Password Policy Changes All changes in satus of both Maximum password age policies Group Policy Password Complexity Policy All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy Changes reversible encryption policy Group Policy Password History Policy All changes in the status of Enforce password using reversible encryption policy Group Policy Lockout Duration Policy Changes reversible encryption policy Group Policy Lockout Duration Policy Changes All changes in the status of Enforce password history policy Group Policy Accounts Lockout Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Audit Policy Changes All changes in Audit policies for Computer Configuration Group Policy Security Options Policy Changes All changes in security options policies Group Policy Interactive Logon Policy Changes All changes in security options policies Group Policy User Right Assignment Policy All changes in User Rights Assignment policies Group Policy Group Policy Object Changes All changes in User Rights Assignment policies Group Policy Group Policy Object Changes All changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Renamed All Group Policy Objects deleted All mailboxes created		Changes	configuration
Group Policy Password Policy Changes All changes in status of both Maximum password age and Minimum password age policies Group Policy Password Complexity Policy All changes in status of both Maximum password age and Minimum password age policies Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy All changes in status of Store passwords using reversible encryption policy Group Policy Password History Policy Modified All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy and Kerberos Policy in Account Lockout Policy Policy, and Kerberos Policy in Account Policies Group Policy Security Options Policy Changes All changes in status of Interactive Logon policies Group Policy Interactive Logon Policy Changes All changes in status of Interactive Logon policies Group Policy User Right Assignment Policy Changes In Status of Interactive Logon: Do not require CTRL+ALT-DEL, and others) in Security Options Group Policy GPO Link Changes All changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Changes All Group Policy Object seleted Group Policy Group Policy Object Renamed All Group Policy Objects renamed Exchange Server Mailbox Created All Group Policy Objects renamed	Group Policy	Group Policy Object Changes	All changes of group policy objects such as
Group Policy Password Policy Changes All changes in password policy Group Policy Password Age Policy Modified All changes in status of both Maximum password age and Minimum password age policies Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy Changes in Status of Store passwords using reversible encryption policy All changes in status of Store passwords using reversible encryption policy Group Policy Password History Policy Modified history policy All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All changes in the account lockout policies Group Policy Audit Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Audit Policy Changes All changes in Audit policies for Computer Configuration Group Policy Security Options Policy Changes All changes in status of Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security Options Group Policy GPO Link Changes All changes in User Rights Assignment policies for Computer			create, delete, modify, rename, settings added,
Group Policy Password Age Policy Modified All changes in status of both Maximum password age and Minimum password age policies Group Policy Password Complexity Policy All changes in the status of Password must meet complexity requirements policy Changes Password Encryption Policy All changes in status of Store passwords using reversible encryption policy Group Policy Password History Policy Modified All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All changes in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Audit Policy Changes All changes in satuts of Interactive Logon policies Group Policy Security Options Policy Changes All changes in security options policies Group Policy Interactive Logon Policy Changes All changes in status of Interactive Logon policies Group Policy User Right Assignment Policy Changes Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security Options Group Policy GPO Link Changes All changes in User Rights Assignment policies for Computer Configuration Group Policy Group Policy Object Changes All Group Policy Object Changes Group Policy Group Policy Object Changes All Group Policy Object Changes Group Policy Group Policy Object Changes All Group Policy Object seleted All Group Policy Objects renamed			settings deleted, settings modified, and others
password age and Minimum password age policies Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy All changes in status of Store passwords using reversible encryption policy Group Policy Password History Policy Modified All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Security Options Policy Changes All changes in satuts of Interactive Logon Policies Group Policy Interactive Logon Policy Changes All changes in status of Interactive Logon policies Group Policy User Right Assignment Policy All changes in User Rights Assignment policies Group Policy Group Policy Group Policy Object Changes All changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Changes All Group Policy Objects deleted Group Policy Group Policy Object Renamed All Group Policy Objects renamed All Group Policy Objects renamed All Group Policy Objects renamed	Group Policy	Password Policy Changes	All changes in password policy
Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Changes reversible encryption policy Password History Policy Modified All changes in status of Store passwords using reversible encryption policy Password History Policy Modified All changes in the status of Enforce password history policy All changes in the status of Enforce password history policy All changes in the status of Account lockout duration policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies All changes in saudit policies for Computer Configuration All changes in security options policies Group Policy Interactive Logon Policy Changes All changes in security options policies (such as Interactive Logon: Do not display last user name, Interactive Logon: Do not display last user name, Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security Options Group Policy Changes All changes in User Rights Assignment policies for Computer Configuration Group Policy Changes Group Policy Group Policy Object Changes All changes in the status of Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Changes All Group Policy Objects deleted All Group Policy Objects renamed Exchange Server Mailbox Created All mailboxes created	Group Policy	Password Age Policy Modified	All changes in status of both Maximum
Group Policy Password Complexity Policy Modified All changes in the status of Password must meet complexity requirements policy Group Policy Password Encryption Policy Changes All changes in status of Store passwords using reversible encryption policy Group Policy Password History Policy Modified history policy All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Audit Policy Changes All changes in Audit policies for Computer Configuration Group Policy Security Options Policy Changes All changes in security options policies Group Policy Interactive Logon Policy Changes All changes in status of Interactive Logon policies (such as Interactive Logon: Do not display last user name, Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security Options Group Policy User Right Assignment Policy Changes in User Rights Assignment policies for Computer Configuration Group Policy GPO Link Changes All changes in the status of 'Link Ena			password age and Minimum password age
Group Policy Policy Policy Changes All changes in the status of Account lockout policies Policy Policy Policy Changes All changes in the status of Account lockout duration policy duration policy Policy All changes in the status of Account lockout duration policy All modifications in the account lockout policies All changes in Password Policy, Account Lockout policy All Accounts Policy Changes All modifications in the account lockout policies All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies All changes in Audit policies for Computer Configuration Group Policy Security Options Policy Changes All changes in security options policies Group Policy Interactive Logon Policy Changes All changes in status of Interactive Logon policies (such as Interactive Logon: Do not display last user name, Interactive Logon: Do not display last user name, Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security Options Group Policy GPO Link Changes All changes in User Rights Assignment policies for Computer Configuration Group Policy GPO Link Changes All changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Deleted All Group Policy Objects deleted Group Policy Group Policy Object Renamed All Group Policy Objects renamed			policies
Group Policy Password Encryption Policy Changes reversible encryption policy Group Policy Password History Policy Modified All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Audit Policy Changes All changes in Audit policies for Computer Configuration Group Policy Security Options Policy Changes All changes in security options policies Group Policy Interactive Logon Policy Changes All changes in status of Interactive Logon policies (such as Interactive Logon: Do not display last user name, Interactive Logon: Do not display last user name, Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security Options Group Policy User Right Assignment Policy All changes in User Rights Assignment policies for Computer Configuration Group Policy GPO Link Changes All changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Deleted All Group Policy Objects deleted Group Policy Group Policy Object Renamed All Group Policy Objects renamed	Group Policy	Password Complexity Policy	All changes in the status of Password must meet
Changes reversible encryption policy Group Policy Password History Policy Modified history policy Group Policy Lockout Duration Policy Changes All changes in the status of Enforce password history policy Group Policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy Group Policy Accounts Lockout Policy Changes All modifications in the account lockout policies Group Policy All Accounts Policy Changes All changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account Policies Group Policy Audit Policy Changes All changes in Audit policies for Computer Configuration Group Policy Interactive Logon Policy Changes All changes in security options policies Group Policy User Right Assignment Policy All changes in User Rights Assignment policies Group Policy GPO Link Changes All changes in User Rights Assignment policies Group Policy Group Policy Object Changes All Changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group Policies Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Changes All Group Policy Object changes Group Policy Group Policy Object Renamed All Group Policy Objects deleted Group Policy Mailbox Created All mailboxes created		Modified	complexity requirements policy
Group PolicyPassword History Policy Modified history policyAll changes in the status of Enforce password history policyGroup PolicyLockout Duration Policy ChangesAll changes in the status of Account lockout duration policyGroup PolicyAccounts Lockout Policy ChangesAll modifications in the account lockout policiesGroup PolicyAll Accounts Policy ChangesAll changes in Password Policy, Account Lockout Policy, and Kerberos Policy in Account PoliciesGroup PolicyAudit Policy ChangesAll changes in Audit policies for Computer ConfigurationGroup PolicySecurity Options Policy ChangesAll changes in security options policiesGroup PolicyInteractive Logon Policy ChangesAll changes in status of Interactive Logon policies (such as Interactive Logon: Do not display last user name, Interactive Logon: Do not require CTRL+ALT+DEL, and others) in Security OptionsGroup PolicyUser Right Assignment Policy ChangesAll changes in User Rights Assignment policies for Computer ConfigurationGroup PolicyGPO Link ChangesAll changes in the status of 'Link Enable', 'Link Enforced', and 'Link To' for all Group PoliciesGroup PolicyGroup Policy Object ChangesAll Group Policy Object changesGroup PolicyGroup Policy Object DeletedAll Group Policy Objects deletedGroup PolicyGroup Policy Object RenamedAll Group Policy Objects renamedExchange ServerMailbox CreatedAll mailboxes created	Group Policy	Password Encryption Policy	All changes in status of Store passwords using
history policy Lockout Duration Policy Changes All changes in the status of Account lockout duration policy		Changes	reversible encryption policy
